from the
President

I can't believe the year is almost coming to an end. Here we are in September and soon to be fall weather. We (Women's Council of Realtors) have just finished a wonderful fundraiser with the Englewood on the Gulf Chapter and good time for all on the Boat to Useppa Island. The two chapters did a wonderful job and had the boat sold out. It was a hot day but very enjoyable all the same. We learnt some interesting history of the island of what was happening at the same time as other things were going on in the World. For instance, did you know that: When the Declaration of Independence was signed in 1776 that on Useppa Island Jose Caldez visited for the first time and fishing settlements were being set up to catch, salt and dry fish. Come with us next time we have an interesting trip and see what you will learn.

The Line Officers just got back from Orlando for the FR Convention and the Awards Banquet for Women's Council of Realtors. I was happy to see so many of our members go and take advantage of the education available. That is why we are so involved. And we did have some enjoyment too. The Beatles were great. They honestly sounded just like them. That was free entertainment from FR just for being there. We had a great time and recognized some great people from our Chapter that have done so much.

Rosemary Mahoney won Mentor of the Year Award and

Nancy Bell won the President's Award. We are so proud of our Members for doing such a fantastic job. Thank you.

Next, we will be off to Anaheim for the National Convention in November. If you are not going, we will bring you back some tips and information you can use in your endeavors.
